

REI's Women's Business Center

presents

Social Networking

Social networking may seem confusing and daunting but it can be a valuable tool for small business. This workshop will cover the basics of Facebook and Twitter. Learn how to incorporate these newer marketing methods into your marketing plan while saving time for you and your employees. Keep it simple, stay on track and put these forms of marketing to work for you!

Tuesday, March 9, 2010

11:00 a.m. to 1:00 p.m.

Pauls Valley Chamber of Commerce

112 E. Paul

Pauls Valley, Oklahoma

Space is limited.

Bring a brown bag lunch and join the fun!
